LIMITED DISTRIBUTION S/S

DEPTEL 1017 apparently was sent prior to consideration of EMB-TELS 1125 and 1138 regarding request for an official visit by Foreign Minister Muniz to Washington.

I have no doubt that much of Argentine Government's forthright action in support of our resolution in OAS on Cuba and decision to give military assistance was due to energetic counsel of Muniz. In consequence I repeat recommendation that we extend him an invitation for an official visit at an appropriate time. This might be of special significance to us in these current critical days.
